

DRC/HDP/14/2026.

14TH SEPT 2026

Dear SSHRC Reviewers,

RE: EXPRESSION OF SUPPORT FOR GRANT APPLICATION.

Danish Refugee Council Kenya Peacebuilding Sector would like to express support for the grant application. being submitted by Arthur Blouin and Julian Dyer to study local peacebuilding in Turkana.

This has been my area of focus for several years as Humanitarian Disarmament and Peacebuilding (HDP) Manager for the Kenya office of the Danish Refugee Council. I confirm that the research questions proposed here are directly relevant to our peacebuilding activities in Kenya and the broader region.

We are currently working with this research team on related projects and are keen to continue working on this larger-scale project. This research project would help us test the ideas we have developed over years of experience in the field and would help us design ongoing activities to be more effective.

I can also confirm that we at DRC are happy to work with the research team and plan joint fieldwork on peacebuilding activities in Kenya. DRC has significant experience working in the relevant regions and this institutional expertise would be available to the team as we work together.

If you have any questions, please contact me at raphael.locham@drc.ngo.

Sincerely,
